Message from the Head...

Dear Parents / Carers,

The highlight of our week was yesterday's sports day. We are grateful to everyone who came to support the event to make it a success. The children competed with determination and integrity, whilst showing a good deal of encouragement and support for each other. It was an occasion that celebrated lots of the best things about life in our community.

Parents of children in Reception-Year 6 will be receiving school reports today. There has also been a separate letter to explain the format and content of our reports. We hope you find the reports informative and helpful. Pre-school reports will be sent home today in paper format and then electronically next week.

Parents and carers of children in next year's Year 5 and Year 6 will also be informed via email today of their child's class teacher for next year. Next Wednesday all our teachers will host 'Open Classrooms' from 3.30pm – 4.30pm, for an informal opportunity to look at children's end-of-year work and speak with staff about any queries you might have.

Tomorrow our school will be hosting The Big Village Fun Day, which will include several stalls run by our children and PTA. We hope you will be able to support us at the event. I have heard a rumour that the football is being screened live, for those of you who want to keep an eye on England's potential progress! The event will also include the presentation of children's artwork from our recent *Sports and Pastimes* competition, and our winners will be revealed.

Next Tuesday evening we will be welcoming family members of our Year 6 community to watch the production of *I'm and eleven-year-old, get me out of here!* The children have been working very hard to get this ready and are excited to share it with you! Cast members should arrive at school by 5.30pm, please, which is when doors open for our audience.

Our team of staff will be reviewing the provisions and plans for pupils on our Special Education Needs and Disability (SEND) register in the coming days. If you are a parent / carer of a child on our SEND register, you will receive completed Assess, Plan, Do, Review (ADPR) documents before the end of term. Current class teachers are also preparing new plans for children, which will start in September and be used by their new teachers. We will share these plans with you after the summer break.

With best wishes, from Richard Martin and all of the team in school.
