1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2025 to 2026](#), published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

4. Use of the grant

At Fenstanton and Hilton Primary School, we have used research evidence from the [guide published by the Education Endowment Foundation \(EEF\)](#) to inform our use of the pupil premium, together with analysis of our own school's needs and priorities.

Our school's annual Pupil Premium Strategy Report is published on our website at the following location: https://www.fenstantonandhiltonschool.com/web/pupil_premium/160594

Our strategy report used the DfE template and our funds are allocated using the 3-tiered approach described in the EEF's pupil premium guide. This means that our strategy focus on activities that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support.

Our use of the pupil premium and activities align with the DfE's 'menu of approaches' and considers the context of the school and the main challenges or barriers our disadvantaged and vulnerable pupils face.

Some examples of funding use at Fenstanton and Hilton Primary School are:

- Providing extra 1-to-1 or small-group support;
- Contributing to the employment of additional teaching assistants;
- Funding educational trips and visits;

Funding resources or equipment that support curricular and extracurricular access.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception - Year 6. Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order;
- In state care from outside England and Wales before being adopted.

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces;
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census;
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces.
