Dear Parents and Carers,

PTA News

The PTA met last week to plan out this term's activities. First up is the **Infants' After-School Chill Out**, where we will be showing the film 'Secret Life of Pets 2' (certificate U). Reception and KS1 parents should look out for an email inviting their children to attend in the next few days.

Disco Dave will also be back to entertain the children at the **KS1 and KS2 discos** on Friday, 13th March (please note that this date is incorrect in the term dates sent out last week) and **Mother's Day present room** will be held later in March.

Before Christmas becomes too much of a distant memory, did you receive any unwanted Christmas gifts? If so, please consider donating them to PTA to be used as prizes for our raffles or tombolas.

Diary dates

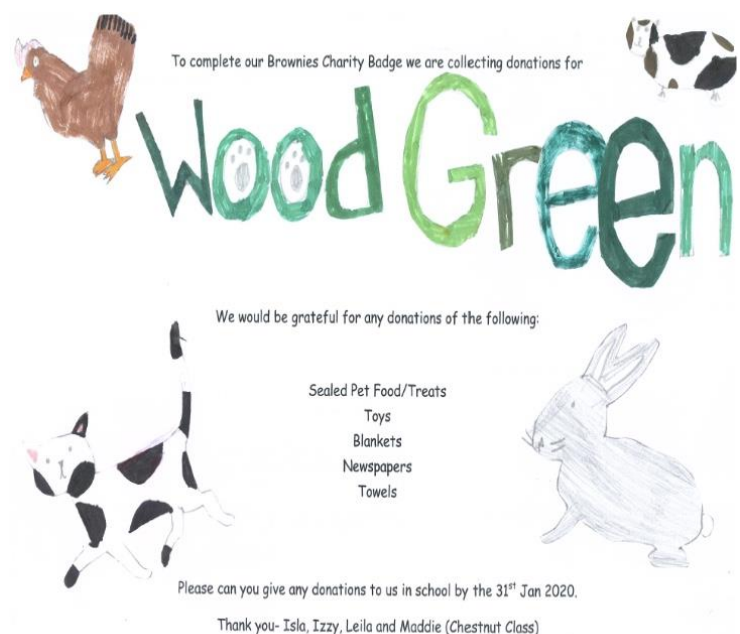

- Friday 7th February: R&KS1 After School Chill Out (straight from school – 5.00 pm)
- Friday 14th February: Cake sale (straight after school)
- Friday 13th March: Discos (R&KS1: 3.30–4.30 pm; KS2: 4.45–6.00 pm)
- w/c 16th March – Mother's day present room

Lost Property

A reminder that all lost property will be donated to charity if not claimed by the end of January. Please come in and have a look if you feel there is something missing from your child's uniform collection.

Can you Help?

Three of our Year 3s are completing the following task. The office can collect any donations and pass them to the girls. Please donate by 31st January 2020

Jane Rogers Workshops

Our lovely Early Intervention Family Worker is running her excellent workshops again this term.

On Thursday February 6th she will be running a drop in on 'Encouraging Good Behaviour' 9-10am

On Thursday March 5th she will be running a workshop on 'Friendships' 9-11am

Both are open to everyone, no sign up required.

Safeguarding Update

The conifers next to the Key Stage 1 playground have now been removed. This gives supervisors a better vantage point to monitor all the children from and has also given more light to our pre-school. In the coming weeks we will be having a lower fence built around pre-school and a pathway so that they can access our grounds more easily.

Parking around School

I am fully aware that this can be a big issue, especially in the colder months. Please can we remind you to park and drive considerately around school and respect the nearby residents. Parking should be limited to the church car park and never in or near to the school car park. There simply isn't the space and it is not safe when children are moving around. We have had reports of several near misses recently, even when children have been with their parents.

I have requested police assistance with this as the issue continues to place everyone at risk.

And finally....

Enjoy your weekend with your families.

Kind regards,

Claire Worth

Headteacher
