Message from the Head...

Dear Parents / Carers,

Our Year 6 children were the stars of the show this week, in their performance of *I'm an 11-year-old, get me out of here!* In performances to the school on Monday, and to families on Tuesday evening, the children were all sensational. Congratulations to everyone involved, and to the team of staff who led the children. We were thrilled with the community's support and now hope to make the Year 6 production an annual event.

Next week, we will welcome most of our Year 6 children for Monday and Tuesday only, before they head off to Swavesey Village College on Wednesday. The children will have a barbecue and games afternoon on Monday, before welcoming parents and carers to their Leavers' Assembly on Tuesday morning at 9.30am. See you there!

Many parents will have received letters and documents this week regarding assessments that have taken place recently. These relate to phonics (Year 1 and some Year 2 pupils), Multiplication Tables Check (Year 4) and Key Stage 2 SATs (Year 6). If you have any queries, please let class teachers, myself or Mrs Adkins know.

Next week, children will spend some time in their new classes on Wednesday and Thursday. We are excited to see the new groups working together, and to welcome the 2024 Reception Class for this first time. We hope your children will enjoy the sessions and the chance to work with their new teacher/s and classmates.

I would like to share details of [50 things to do before you're five](#), which provides ideas and activities for children in our Early Years Foundation Stage. There is a free mobile app and a downloadable booklet. Perhaps it will lead you on some adventures this summer...

Finally this week, we would like to say a huge thank you to our parent and family readers, who join us each week to support reading across our school. Your time spent listening to our young people read is very valuable to us. Thank you!

See you all next week for the last week of the school year!
