## Message from the Head...

Dear parents/carers,

What a hot week! I hope you have all managed to stay cool, a task that is not always possible in school! We have been refilling water bottles regularly and ensuring the children remain hydrated during the 6.5 hours they are with us every day. Whatever the classroom set-up, I would like to reassure you that the children do have regular access to water, including during lesson transitions, at break time, during lunchtime and at the end of lunchtime.

Our Reception (Klee Class) children have had a great week with Miss Stubbert, who has joined the team temporarily. Miss Stubbert is providing cover for Mrs Wilkins, who is on adoption leave currently. The children of the class have shown great resilience with the recent changes.

Thank you to those of you who were able to join our art exhibition yesterday afternoon. We had dozens of entries into the exhibition and we were very impressed with the range of skills the children were able to showcase. All of our classes were able to visit and enjoy the exhibition during the afternoon yesterday.

You will have seen a couple of messages recently regarding some fitness sessions being run in partnership with Over Power Fitness. These will take place on Tuesday 1<sup>st</sup> July. You can sign up for the events using the links below: Family Fitness Session: [Family Fitness Sign-up](#) Ladies-only Session: [Ladies Only Session](#)

We are looking forward to welcoming Zack George to school next Wednesday. Zack might be better known to you as 'Steel' from Gladiators. Zack will lead some active sessions with the children before visiting classes.

**Finally, a one-line request: Please support us by ensuring your child does not bring chewing gum into school.**

With best wishes for the warm and sunny weekend, from Richard Martin and all of the team in school.
