## Message from the Head...

Dear Parents / Carers,

What a Book Week it has been! It was a great pleasure to see so many of you join us for our community Reading Breakfasts throughout the week, and to listen to some of the stories and conversations being shared. World Book Day itself was really successful, with some great costumes on show and lots of children in comfy outfits that they wear to read. Thank you for supporting us and the children to make the week a success.

On Monday this week, four of our Year 6 children represented our school at the Cambridgeshire English Challenge. Congratulations to Lauren, Oliver, Joshua and Freya, who are pictured below.

On Monday next week our PTA will be hosting a Cake Sale & Pre-loved Uniform Sale after school. Children should all have received plates for donations of cakes. We are always grateful for the support you show these events.

On Thursday next week we will host our 'Science Fair'. Children have been invited to create projects for this from home, and we will be displaying them in the school hall. Classes will make visits to view the projects during the school day and we invite our community to attend after school (from 3.30pm) on Thursday 13<sup>th</sup> March.

Along with this newsletter you will have seen an advert relating to the Joseph Ellis Foundation Trust. This Trust is available for everyone to apply to, to support children in accessing education. You can apply in confidence using the email on the flyer.

Finally, my 'request for support' this week is regarding chewing gum, which seems to have become increasingly popular with children in Year 5 and 6. We have found it this week in toilets and urinals, underneath desks and on the floor of the hall. Please could you support us by helping to ensure your child does not bring chewing gum into school. Thank you, as ever, for your support!

With best wishes for the weekend, from Richard Martin and all of the team in school.
