Little Red Riding Hood

One day there was a little cottage,
it stood beside a busy wood.

It used to belong to a man who was mean

But now it belongs to a family who is very clean

There was a lady, who ^{was} name was
Mrs Florence ~~Smith~~ ^{Hood} she had a daughter.
Her name was Little Red Riding Hood

She had a grandma who lived ^{on} the other side of
the wood.

Her mother said take these things to grand
Little Red Riding Hood set off for grandma's
house.

The lining of the basket was red
At the top was some bread.

She was only about ten steps into the woods.
She came across a grey wolf.
She told the wolf ~~where~~ ^{what} she was going.
The wolf pretended he needed to get back to his
sewing. ✓

The wolf was going to grandma's cottage.
He knocked at the door.
Soon they will be my meat. ✓
Because that is what I like to eat. ✓

Little Red Riding Hood walked into the
cottage.

She was very excited to see her
grandma.

But she was ~~sup~~ surprised to see
the door ajar.

Because she had walked so far. ✓

She went to her grandma's bed
And said "grandma what big teeth
you have."

All the better to eat you up with
my dear. ✓

As little red riding hood came near.

A wood cutter ~~comes~~ came.

He said what is going on.

He killed the wolf with
his axe. ✓

And ~~out~~ the candle on the side dripped
a lot of wax.
