Message from the Head...

Dear parents and carers,

Welcome back to the new academic year!! I hope you all enjoyed a happy, peaceful and restful summer and that you and your children are feeling positive about the academic year ahead. It has been great to welcome the children back to school over the past two days as we return to the routines of school. I was very impressed with the calmness of the first morning of term. The children have already set themselves some very high expectations.

Our new Reception children, now split between Klee Class and Monet Class, have had two mornings in school and have done so well in their new environments. In Klee Class, the late change of teaching staff does not appear to have fazed the children at all and they have been very settled. Thank you to you all for your support with this change and for preparing your children for it. I am sure the first four weeks of term will be very successful and we will then look forward to welcoming Mrs Wilkins back to school at the start of October. In this interim period, Miss Harper and Mrs Pell will continue to lead the children.

I am confident that we have a very strong team of staff to lead, guide and support our children this year. The commitment, skill and knowledge of these professionals is a huge strength of our school and I am looking forward to watching the children flourish in this environment. I am also looking forward to developing our parent and carer relationships further. These relationships go so far in ensuring the development and progress of our children.

Next week we will be launching some of our enrichment activities for pupils, delivered by external partners. On Monday, Inspirations School of Performing Arts will begin their Dance and Musical Theatre Club; on Thursday, JS Sports & Education will start their Football Club for Key Stage 2; and on Thursday it will be JS Sports & Education again with a Hockey Club for children in Year 4-Year 6.

You will see attached with this newsletter an advert for a cleaner needed each afternoon here in school. If you are interested in this post, please contact Malco Services directly. Please also share details of the advert with anyone you think might be interested.

With best wishes for the weekend, from Richard Martin and all of the team in school.

Diary Dates

Monday 26th – Friday 30th October – Half Term,
School Closed
